In this issue: Indie author event, advertise your KDP books, assembling your publishing team, what's it like to be an indie author, and editing too much

Watch a live stream of our indie author event in Dublin

Featuring bestselling authors and Amazon experts, this day-long conference in Dublin will be streamed on the KDP YouTube page. Topics under discussion will include "How to Write a Bestseller," "The Art of Editing," "Marketing Your Book," and "The Business of Being an Independent Author." The conference and stream begin at 9 a.m. (GMT) on November 19th.

Advertise your KDP books with Amazon Marketing Services

As a KDP author, you have access to advertise your eBooks with Amazon Marketing Services (AMS). AMS provides online advertising solutions to help authors promote and sell their English-language Kindle eBooks to customers in the US on Amazon.com and Kindle eReaders. Advertising with AMS can help authors compete more effectively for readers' attention by running ads in search results and on detail pages. Ads are self-service, giving you control over the content, budget and targeting you want to use.
